## FAQ

Do you provide hair services?

*I exclusively provide makeup services.  
Hair service referrals available upon request.*

Do you travel? Where to?

*I live in Colorado and primarily service the Denver/Boulder area.  
To find out which cities I travel to or if you will incur a Travel Fee, contact  
[info@dasharobertsglam.com](mailto:info@dasharobertsglam.com).  
For destination weddings or out-of-state inquiries, contact  
[info@dasharobertsglam.com](mailto:info@dasharobertsglam.com).*

Can you accommodate large groups?

*I can accommodate groups of 3-12 at this time.*

Can I book a trial/preview service?

*Yes! In fact, scheduling a trial is required for brides.  
Don't you want to see how gorgeous you look in advance?!  
Trials may be scheduled upon event booking and are recommended to be done  
no earlier than 3 months prior to event date.*

Can my mom, sister, and maid of honor book trials?

*Absolutely! See pricing for trials under the SERVICES section.*

Should I wear false lashes?

*Even if you have naturally perfect eyelashes, I definitely always recommend false  
lashes for any special event! They open up your eyes and make them look  
brighter and more awake, in addition to lengthening the look of your lashes.*

How well will the makeup last? What should I do when I cry?

*I use only the highest quality products and techniques to ensure that your look lasts all night. A common question I get is "What will happen if I rub my face?" If you rub your face, your makeup will smear! It's not permanent, of course! If you cry, try to gently pat the skin, rather than rubbing the face.*
